Image Share Use Case

Participant Demand Drives Use Case Development

Purpose of Use Workgroup

eHealth Exchange™

The PoU Workgroup kicked off on September 12th

- Initial meeting focused on overall 'Guardrails' including:

  - HIPAA
  - 42 CFR Part 2 Substance Abuse Info
  - VA Mission Act
  - Confidential Unclassified Information (CUI)

  - 21st Century Cures Act
  - TEFCA
  - Information Blocking Rule
  - DURSA
  - Carequality CCA

Upcoming meetings will focus on:

- Identifying why many Participants don't support non-Treatment purposes and why Participants might choose to support additional purposes

Monthly All Participant Call
